Hey Nick - thx so much for this note. I really appreciate it as it was top of my mind to strike that exact balance. Once things have calmed just a tad I'd love to grab breakfast/lunch to further brainstorm as I love everything you've been doing.

Hey Jessica,

Just wanted to say I thought your speech was pitch perfect tonight! Just the right balance of respect and appreciation for who and what CCA has been, and vision and ambition for who and what it can be going forward.

Brava!

Nick
